

Scotiabank ranked #2 in the USD bond market for Chilean corporates

Scotiabank has reached an important milestone in growing its business in Chile. Based on 10 months of data compiled by *Bloomberg* in 2014, Scotiabank ranked #2 in the Chilean League table of total international corporate bond deals. As of October 31, 2014, Scotiabank led 6 out of 14 USD bond transactions by Chilean corporate clients.

To celebrate this outstanding accomplishment, we published an [ad](#) in the Chilean newspaper “Diario Financiero”.
