Description of activities	The Company is a wholly owned subsidiary of The Bank of Nova Scotia, a Canadian financial institution. The Company markets and sells a range of banking products with its target market being large and mid-sized companies, as well as banks, investment banks, governments and asset managers. The Company generates revenue through the extension of credit to corporate clients, market-making and distribution of government bonds, equity financing and base metals trading. Additionally, the Company also participates in the sub-underwriting of equity rights issues.	The Branch carried out sales activities in Fixed Income products, including secondary market trading in government bonds, repos and derivatives. The Branch also acted as a distributor of French government debt as part of the Company's role as a primary dealer in France. Following a strategic review, the Branch ceased trading on 15 June 2017 and was closed during September 2017.
